The dream of a new Junior-Senior High School will soon become a reality. I sincerely hope that it will be a structure for which all of us can be justly proud. May it serve the true purpose for which it was designed--a better educational program for all the young people of this community.

We are Seniors already! Four short years have elasped since we came to C. H. S. as green Freshmen. We have had a swell time in living with our classmates and acquiring our education. For many our education is at an end, but for some college is in the shining future. But, no matter what path we choose after graduation we shall never forget our days at C. H. S.

During this year we have been kept busy ordering name cards, having pictures taken, presenting the Senior Play, and helping to put out the Tomahawk.

Several members in our class have achieved much in band. Seven boys have accomplished a great deal in the athletic department. Besides sports and music, many have been active members of clubs and have participated in other activities sponsored by the school.

We wish to thank Miss Yakey and Mr. Harriss for the excellent job of sponsoring during our senior year. To the Class of '53, we wish the best of luck as we bid farewell to C. H. S.

Yes, we are the Juniors, the class who has the work to do. At the beginning of the year, we chose Miss Elam and Mr. Woodward as our sponsors. The first hurdle they helped us over was the Hoo-Doo. We felt highly honored when one of our classmates, Kay Delahunt, was chosen, by vote of the student body, as the Hoo-Doo Queen. She was escorted by Bill Siever, a senior. We are well represented in the field of athletics by several of our boys. By vote of the student body, Lois Harriss, Kay Delahunt, Edward Sprehe, and Geroge Malone, were chosen to help cheer the boys to victory.

We are represented in the Student Council by Lois Harriss, Warren Dempsey, and Joe Enloe.

Other class activities are the Junior-Senior Prom, and our class play----then vacation and the happy thought that next year, WE SHALL BE THE SENIORS!

Another milestone has past in our lives and now we are Sophomores. Standing strongly together, we are contributing our part to the activities of our school. Sybil Andres, having proved herself a very capable cheerleader, was again chosen as a cheerleader from our class. Mildred Taylor, Wayland Johnson and Roger Jensen represent us on the Student Council. Nine of our boys are out for basketball and more have interests in other sports. In our music department we have nine who play in the band and two who sing in the sextet. One of our handsome boys, Roger Jensen, was chosen by Barbara Sprehe to be her escort at the Hoo Doo. Under the leadership of our capable sponsor, Mr. Gill, we hope to do more in the future.

After we freshmen got settled down to the routine of high school life everything went along fine. We elected our officers after we became acquainted with each other and selected Mr. McDowell as our class sponsor. As our representatives to the student council Barbara Sprehe and Johnny Fisher were chosen. Barbara Sprehe was elected by the student body to be a special maid to the Hoo Doo Queen.

One of the high spots of our year was the initiation. You had no trouble in recognizing a freshman on that day.

Musically we rated with the rest with six in the band and one in the sextette.

Artistic Typing is an engaging creative useful skill which stimulates interest in a new phase of typewriting--the making of pictures on the typewriter.

In the 13th Annual International Typewriter Art Contest held in Baltimore, Maryland, in which were 1,032 entries from 117 schools in 41 states, Canada, Nova Scotia and Porto Rico, there were 20 awards given to ranking entries. The first-prize winner received a portable typewriter, the next ten each received an official ARTISTIC TYPEWRITING BRONZE MEDAL; the best sets of typewriter-constructed alphabets received a genuine leather zipper binder; the best entry in the division of a portrait of a FAMOUS AMERICAN was won by Leoma Ritchey. She received a travel alarm clock for her entry of Abraham Lincoln --Theodore Wessel's entry in the same division received honorable mention. We are proud of the International recognition received by the two above members.

CONCERT BAND

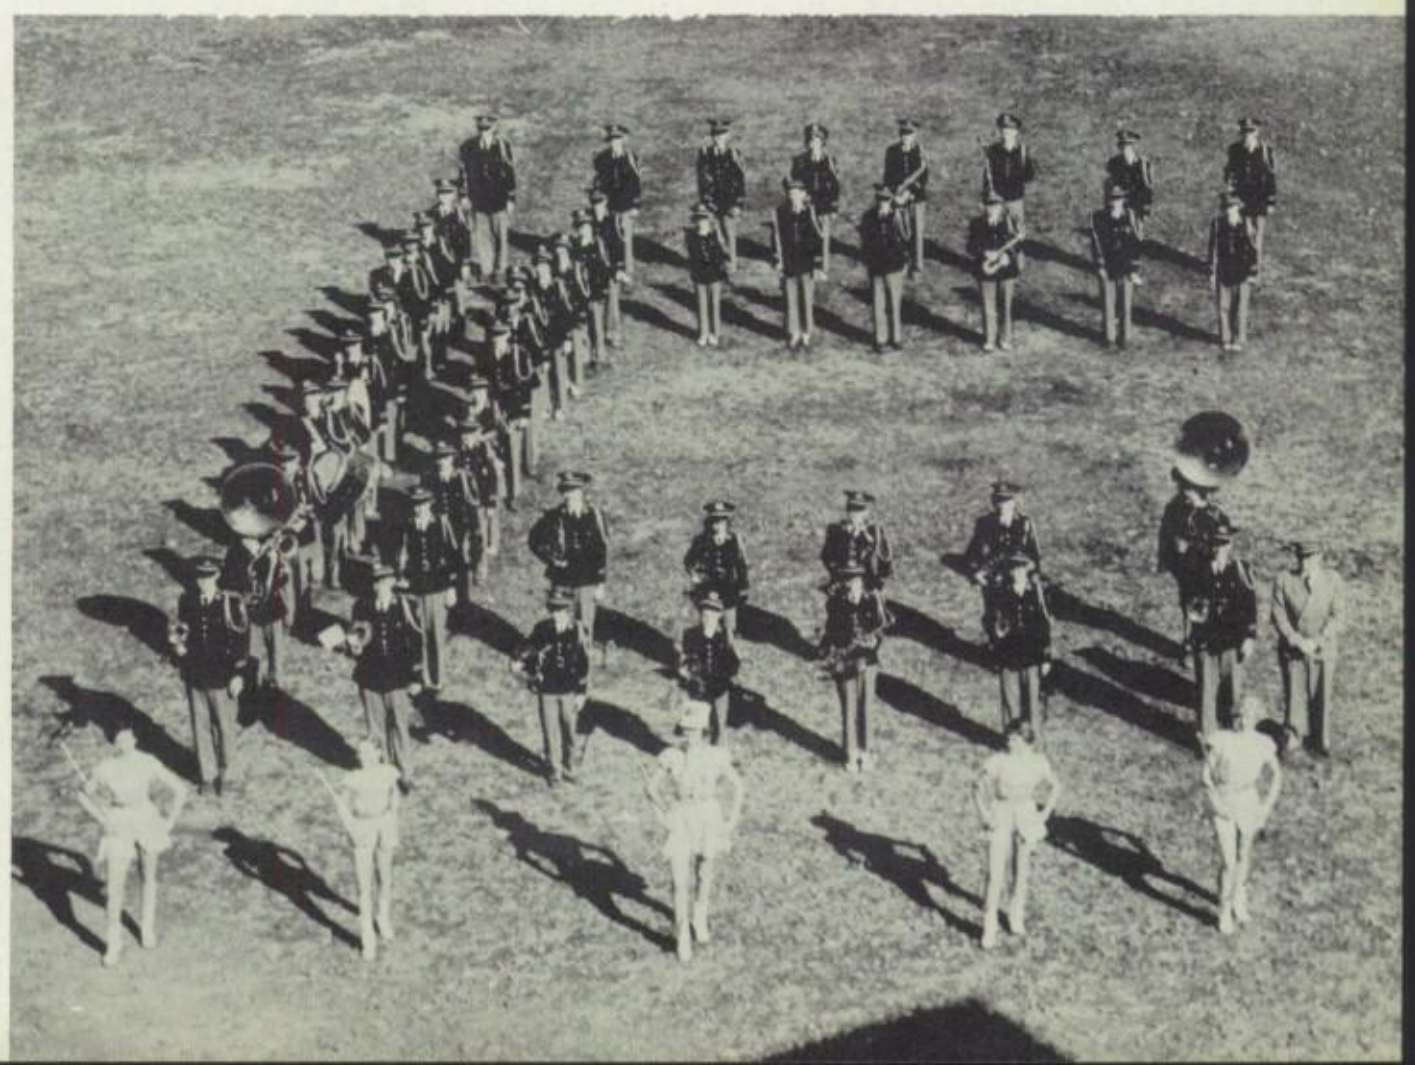
The concert band has been very active this school term. Some of the outstanding members went to Hillsboro to a band festival on December 11. The band gave a Christmas program on December 16 in the gymnasium. After the program was over the band had a Christmas party in the band room. Gifts were exchanged and refreshments were served. We are all looking forward to the Spring Concert. All in all it will be a busy year.

PEP BAND

Mr. Vollertsen has done a good job with the Pep Band in keeping everybody feeling gay and lively at the ball games. The Pep Band played for all the home Basketball games this year. Their cooperation with the cheerleaders, added to the enthusiasm of the fans and players at the games.

MARCHING BAND

The marching band has participated in a few events this year. The band marched in the Halloween Parade at Centralia. We were quite honored since we were the only band that was invited. With the help of Mr. Vollertsen and our attractive drum majorette, we really step high.



SEXTET

Phyllis Ann Heinzmann, Sybil Andres, Mary Jane Smith, Barbara Gill, Nancy Smith, Margaret Dempsey, Joan Lippert.

The Dreamers Sextet started out this year with only one veteran. The rest were all newcomers.

They sang at band concerts, a music festival at Nashville, at a meeting of the Masons, and the annual meeting of the Prairie Farms Creamery. They also hope to give a radio broadcast sometime during the year.

The Octet is a new organization this year. It meets three times a week under the direction of Mr. William Smock. It performed at the Christmas Program. They are planning to enter the district contest to be held at Bethalto, Illinois.

OCTET

Donna Faye Roper, Janice Berry, Joe Ann Williamson, Harriet Palm, Carol Eikhoff, Audrey Tyberendt, Joan Lippert, Lois Friedrichsmeyer, Sharon West.

The boys quartet is a new organization which is witnessing its first year of operation. It is under the direction of Mr. Harvey Vollertsen. First tenor is Philip Ott, second tenor is Leslie Joe Enloe, baritone is Don Schroeder, bass is Douglas Johnson. The accompanist is Sybil Andres.
